Students achieving 3 or more 'A' levels A*-E or equivalent = **100%**

**2015 Tour Of the
Czech
Republic**

We have been running a highly successful Rugby League Academy at Moreton School for several years. It is offered to Post 16 students alongside curriculum subjects at A level. Our exam success across this area has been growing year on year (see latest figures above).

A fantastic once in a lifetime opportunity has arisen which means the students will tour the Czech Republic playing against their rugby league teams in July 2015.
