

Canada Football Tour June 2017

Moreton Football Academy have been invited to play in the Kelowna BC/Canada Cup.

Further Education; Students Choice and Scholarship Opportunities.
Get a sneak peak at college life, whilst playing football games against elite college and academy football teams and experience the culture and excitement in Vancouver, Canada. There are many great places in Canada, but if you had to pick just one to spend a spring/summer tour, it would be Vancouver - hands down - there is no better city in Canada to spend the spring/summer months! It offers the rare combination of sophistication, vibrancy and culture along with unique architecture. College is a time of growth and personal choice; why not get a head start? You'll leave after two weeks feeling more independent and better prepared for college life whilst also making great friends along the way - the perfect experience!

Our Sponsors

Moreton Football Academy

The Moreton Football Academy is an exciting initiative which forges links with Worcester University, Wolverhampton Wanderers FC, Walsall FC, Shrewsbury Town FC, Major League Soccer Camps (MLS) and the Shropshire Football Association. It will offer you the chance to combine professional football training with academic studies. Moreton Football Academy offers excellent facilities such as a fully equipped fitness centre, a full sized futsal sports hall, sports laboratory, a professional standard full sized pitch and a grass training field.

Our link with Worcester University further reinforces our Academy expertise and they have developed an excellent reputation for the quality and innovation in application of sports science and international developments in the football industry.

Professional Organized Tournaments

For Football Academy students, opportunities exist for you to experience the chance of a lifetime to travel, coach and play in both Canada and Europe.

Course Information

Your academic study programme will consist of selected subjects linked to your chosen career path. These subjects can have an academic or vocational focus, and are available through the North East Wolverhampton Partnership Prospectus. However, many Academy students will make selections from Sport, Public Services and Biology, which link well to being physically active and understanding how to train the human body.

The level of course will be chosen in consultation with your tutors, depending on your GCSE performance. Our Football Academy caters for various programmes including opportunities to enhance your employment potential, such as The FA National Governing Body coaching qualifications. Support will also be available for individuals who wish to apply for positions at University and Apprenticeships.

Entry Requirements

Students are appointed on a competitive football trial and also demonstration that they have the academic requirements to be successful. You will need to demonstrate your technical, tactical, social and physical skills. Fitness, attitude, motivation and commitment are paramount if you are to succeed in sport. Football Academy applicants are expected to achieve a minimum of 5 GCSE's at grade C or above including English and Maths in order to be accepted onto the course.

When are the Football Academy Training Sessions?

You will undertake a combination of morning and afternoon sessions across the week, all delivered by highly qualified and professional FA coaches. Competition fixtures in the British Colleges League will take place on Wednesday afternoons at Wolverhampton Casuals F.C., Brinsford Stadium, Coven Heath WV10 7PR.

What next?

The Academy will provide you with the knowledge and skills required to either continue with your sporting career, progress through Further and Higher Education courses or gain employment in such fields as: Football Coaching, Sports Administration, Fitness and Leisure Industry, Sports Management and Teaching.

You must

- Be committed and enthusiastic to both academic and practical aspects
- Be prepared to attend every session
- Undertake coursework and homework
- Maintain a healthy lifestyle
- Take responsibility for your own development with the help of the lecturing and training staff

High Achievement and Recognition Four Moreton Football Academy Students Make the Grade

Rory Harris; Tyrell Ashley-McCella; Josue Mangolo and Heldia Sala, four of our football academy students have been selected to represent Staffordshire County FA and were recently presented their Tie Colours by Brian Adshead, the Chief Executive of Staffordshire FA. A very proud moment for all students and staff at Moreton School.

Nothing worth gaining was ever gained without effort.

Many talented players never get spotted, never get their chance – so why is this? Well the answer is simple – OPPORTUNITY. These four Moreton students typify what can be achieved.
